Just **Frame It** (Pricing Example)

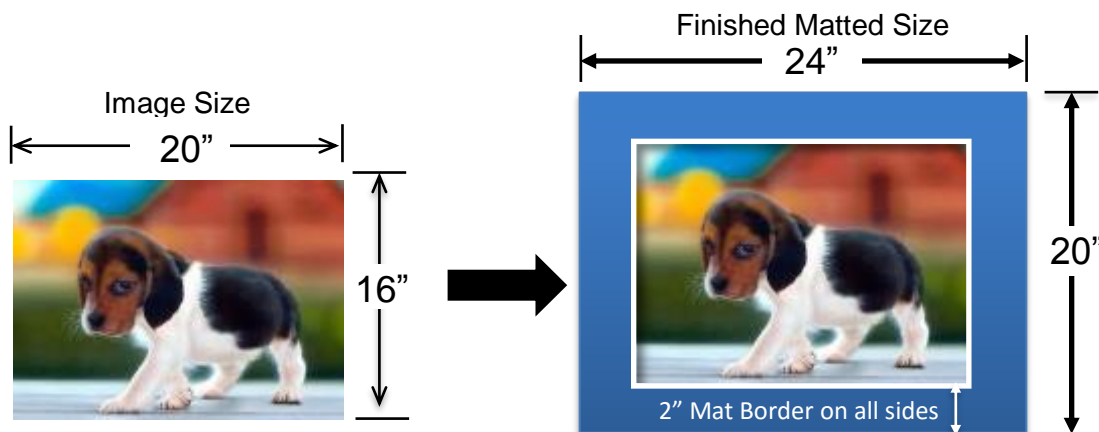

Pricing is determined by the art size you are framing. Under this pricing scheme, we are only framing the image.

20" x 16" art size
just framed will cost:
\$49.99

Add A Mat + **Frame It** (Pricing Example)

Pricing is determined by the art size you are framing + a 2" mat border. Finished matted size can be calculated by adding your "art size" to the desired mat boarder that surrounds the image. See diagram below for example.

20" x 16" image size being matted with a 2" border on all sides yields a matted size of 24" x 20" and will cost: **\$79.99**
